Schedule an Appointment Through Your Connect Account

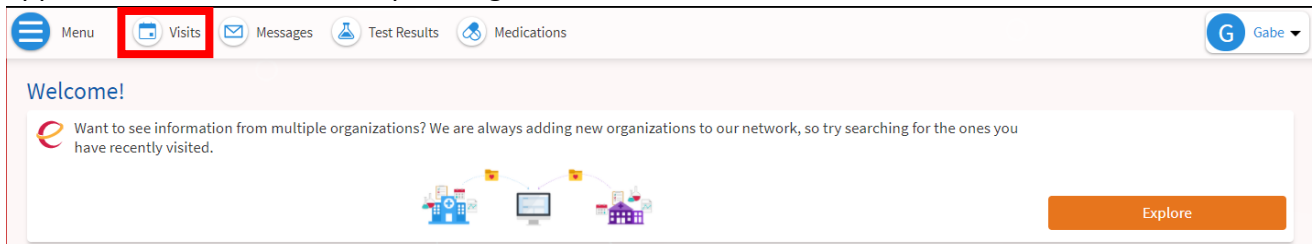

Scheduling an appointment through your Connect account is fast and easy. Avoid a phone call to your provider's office and review appointment times on your computer or mobile device from the comfort and safety of your home, office, or anywhere you choose.

To schedule an appointment, you'll be asked to:

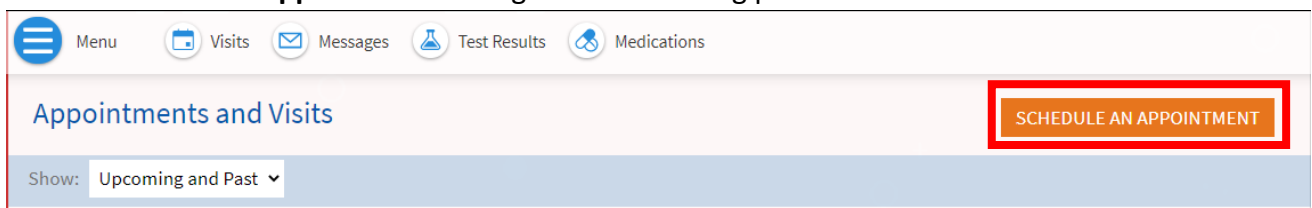

- Select your provider or reason for visit
- Choose a location and answer any scheduling questions
- Select a date and time
- Review or update your insurance and personal information

Use the steps below as a guide to scheduling an appointment:

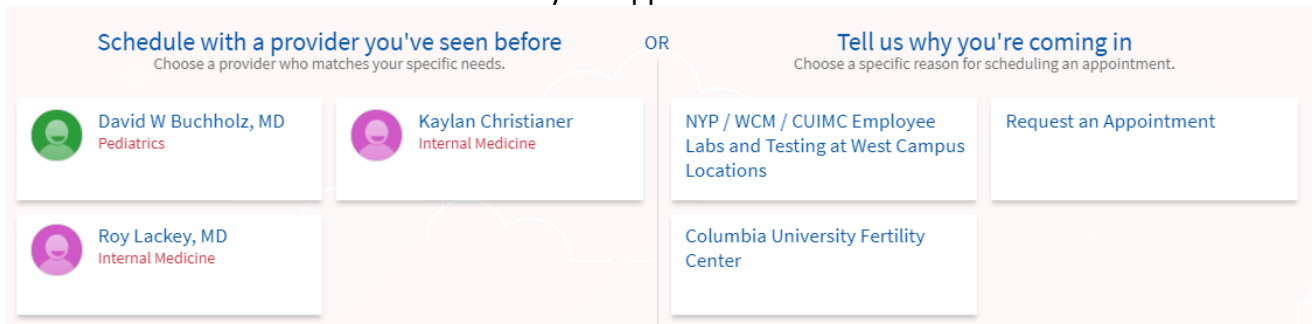

1. Log into your Connect account. On the Welcome page, click on the **Visits** option to view your current appointments and schedule upcoming visits.

2. Select **Schedule an Appointment** to begin the scheduling process.

3. Choose a **Provider** or **Reason for Visit** for your appointment.

Patient Portal

4. Answer any questions to guide the scheduling process, including selecting your desired location.
5. Select the date and time. You can change the **Start search on** date or **Filter times** to help find the date and time that work best for you.
